BE THE BEST OF WHATEVER YOU ARE

We all dream of great deeds and high positions, away from the pettiness and humdrum of ordinary life. Yet success is not occupying a lofty place or doing conspicuous work; it is being the best that is in you. Rattling around in too big a job is worse that filling a small one to overflowing. Dream, aspire by all means; but do not ruin the life you must lead by dreaming pipe dreams of the one you would like to lead. Make the most of what you have and are. Perhaps your trivial, immediate task is your one sure way of proving your mettle. Do the thing near at hand, and great things will come to your hand to be done.

in memory of
David Pippin

FAREWELL MY LOVE

Farewell David, my love
Now you are happy up above
Look down and comfort as I weep
You are the one who swept me off my feet,

I was in seventh heaven; you were more near,
God took you from me; and left me in tears,
Your love will never leave me, since its true,
My love with you in those three weeks grew and grew,

God rode with you on that December night,
He spoke with you, and even with all my might
I find myself alone; a tear rolling down my cheeks,
My mind may be strong, but my heart is meek,

Memories and your presense is here with us still
But only you and God alone know how I feel,
For David was gentle as a lamb, ever so sweet,
So farewell David my love till we again meet.
Claudia Wells
